Capturing the wagg, woofs and wiggles on camera is only part of our offer to you.

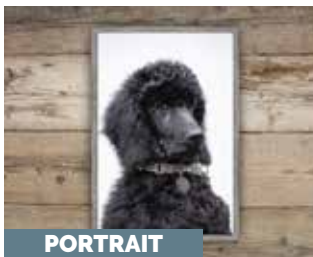

We also provide a full service to get your favourite images printed, and framed to hang proudly on your wall or sit pretty on your sideboard, desk or chest of drawers.

How much it costs depends on what you want, so here's a guide to make it a bit easier. Don't worry if you're not sure about anything, we're happy to help you through the process..

Step 6 Mount Layout

Depending on the shape, size, and style of the frame chosen, we offer the option to have more than one photo in a single frame as well as different sizes of single mount to create a more dramatic image. This option all depends on the shots captured and we'll discuss options with you after the shoot. Below are a few of the most popular layouts to help.
